GREAT CENTRAL STATION (MARYLEBONE, LONDON.)

LL10584

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Marylebone is the London terminus of the Great Central Railway, the most recent of the connections between the metropolis and the North of England. It was opened some years ago, and now that Londoners have become cognisant of the convenience and comfort of this line, a considerable traffic with the North is conducted both in passengers and goods. The station is situated behind the palatial Great Central Hotel in the Marylebone Road.
